Lateral Flow Rapid Tests  
*and more*

**AVAILABLE  
NOW**

**myilab research**  
Lateral Flow Reader

## Features of myilab research

- ✈ **For use** with all three **HybriDetect** assays
- ✈ **User-independent** and **objective evaluation**
- ✈ **Intuitive** and **easy to use** design
- ✈ **Results** show all detected lines **after 15 sec**
- ✈ **Semi-Quantitative** evaluation possible
- ✈ **Results** can be **exported via e-mail** as a CSV file
